Yield the throne of your life to Christ

2. Take Up the Cross

**To be a disciple is to die to your will,
and to live to please God.**

**I have been crucified with
Christ and I no longer live, but
Christ lives in me. The life I now
live in the body, I live by faith in
the Son of God, who loved me and
gave himself for me.**

Galatians 2:20

**To take your cross signifies to
give your entire life to Christ;
to leave it all to follow him.**

**The cross in your life equals to the
surrender of your desires and personal will.**

3. Follow Jesus

Paul was a man of integrity and that is why he was able to instruct the Christians to put into practice the things that he did.

God's truth still prevails and no matter how many people reject it the truth is still the truth, and we must hold to it because we do not have the authority to change it.

In all of this Paul was able to stand strong because of his commitment to do what is right in the eyes of God and not in the eyes of man.
